Faith Academy *School Fees*

Faith Academy is an independent non-profit school, incorporated in October 1990. We receive no financial support other than some funding from the Provincial Government. Registration fees and tuition fees paid by the parents/guardians of the students assist with the ongoing expenses.

Registration:

For students enrolled by Friday, March 23, 2012 the registration fees will be as indicated in the chart.

Add \$30.00 per student if registered after Friday, March 23, 2012.

Registration is payable in two installments: July 1 and August 1.

The registration fee must be paid before students begin school in September. Any student registering as a first year Grade 12 student, will be assessed an additional first year charge of \$100.00.

Registration fees are not refundable after September 4, 2012.

For students in K5 - Grade 4 the registration fee covers the cost of textbooks, workbooks, materials, supplies, incentives, etc. for the school year, with the exception of all writing instruments. Students in Grades 5 to 12 are required to purchase their own supplies.

For all students taking physical education programs, registration also covers the cost of a school "Gym-shirt" which will be required for gym and other athletic activities. These shirts will be distributed to each student during the first week of classes. Please note that replacement "Gym-shirts" will cost students \$10.00 per shirt.

| Students | Tuition per year |
|-------------|------------------|
| 1 | \$1451.00 |
| 2 | \$2672.00 |
| 3 (or more) | \$2912.00 |

Tuition:

Tuition is payable in ten equal monthly installments on the 1st of each month.

Faith Academy is a registered charity and accordingly will issue tax receipts for the "religious" portion of fees paid, as allowed by the current legislation.

Other Fees:

On occasion there are activities outside the school (such as field trips or certain athletic competitions), where there is an additional charge. Private piano, guitar and EAL lessons (as available) are extras for those who participate. There are no other hidden fees and there is no monthly fundraising fee.

Method of Payment

Applications for student enrollment should include 12 post-dated cheques, dated for the first of each month. The first 2 cheques pay the registration and the last 10 cheques pay the tuition fees. If a student is withdrawn from the school, unused tuition cheques will be returned (except as noted in "International Students"). There are no other refunds.

A debit machine is available at the High School office for your convenience.

Please also note that no student should hesitate to apply because the family cannot afford full tuition. Contact the Director of Student and Financial Services (338-6150) for possible alternatives.

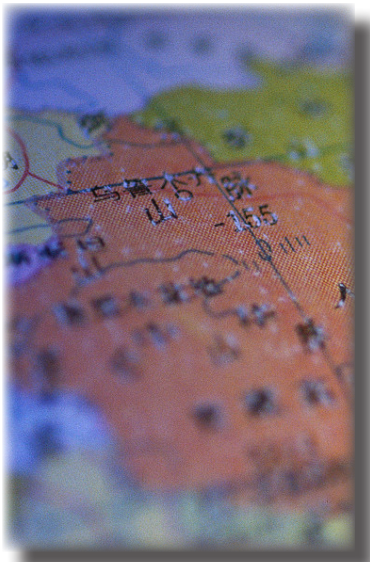

Registration Procedure

If you wish to have your child enrolled at Faith Academy, please complete the student application as soon as possible and submit it to the High School office. An online application form (.pdf fillable) is available at the school web site www.faithacademy.ca or can be obtained from any of the school offices. The required post-dated cheques must be submitted at the time of application, unless an interview is required.

Returning students should submit their applications by March 23, 2012. No "spaces" are held for returning students following that date. Kindergarten students may enroll at any time of the year, 28 spaces are available on a "first come - first serve" basis, however, students with siblings already registered in the school do receive priority admission.

The School's Administration Office will set up an interview for any new student and reserves the right to interview returning students as appropriate. New students may be accepted immediately following their interviews

International Students

The foreign student registration fee is set for the coming year at \$600.00 per student, subject to an additional charge of \$100.00 for any first year Grade 12 students. The foreign student tuition fee varies according to Government funding levels and is set this year at \$5,325.00 per student. There are no "family discounts" for foreign students.

Please Note:

There are no tuition refunds after November 16, 2012.

The registration fee (\$600.00) must be paid in cash, debit or certified cheque, in order to receive an official letter of acceptance.

International Students Insurance

In order to attend Faith Academy international students must provide proof of private Medical Insurance. The school can help arrange this but does not provide this type of insurance itself.

Students unable to provide proof of insurance will not be able to participate in any Physical Education classes or any class/school field trips.
