Thank you!

Summer Work

We have many exciting projects planned for the summer of 2025 including outdoor painting at the middle school, new stair treads in the high school, and new flooring in several classrooms. Please pray that all of the work would be able to be completed efficiently and within the budgets that we've set out.

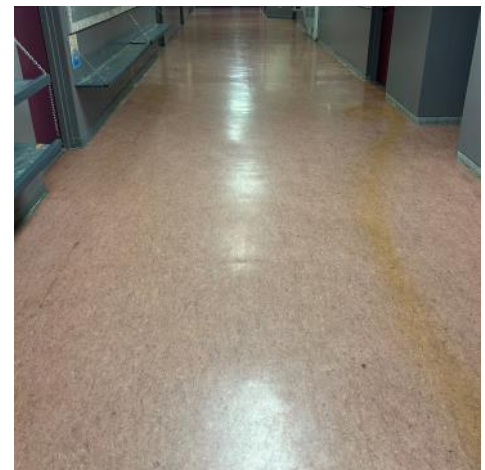

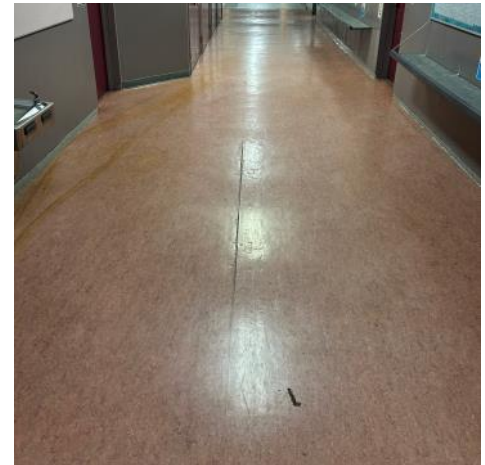

The pictures to the right are of our elementary hallway flooring. This flooring was installed over 25 years ago and really started to show it's age in the last few years. It also acquired some staining from the hoses that were used in for the temporary boiler system.

All that to say, it time for an update! We weren't planning to take on the hallway flooring replacement this summer, but thanks to the generosity of several members of the Faith Academy community, we have been inspired to forge ahead with having the work done before the start of next school year.

If you are able to support this project with a financial gift, we would be very grateful. Please feel free to let your family and friends know about the opportunity to give as well. Any gift over \$20 will be eligible for a donation receipt.

Thank You!

James Harnett—Superintendent

Ottawa 2025

Our grade 11 students enjoyed the annual grade 11 Ottawa trip at the end of May. Mr. Ingels, Mrs. Hodgson, Mrs. Dyck, and Jeremy Hodgson led the students during the trip. The group took in many sights, explored many museums, and enjoyed fun times at the camp and around Ottawa. This year a day in Montreal was added. A special thanks to Mrs. Stetski and Mrs. Elias for keeping the everyone well fed.

Graduation 2025

Grad '25 was celebrated on June 24, 2025. Josh Nicolas spoke on behalf of the class as valedictorian. Elliott won the Governor General Award and Christian Character Award; David, Elliott, and Josh N. won the McLeod Math Scholarship; Ayeisha won the Cavey Stewardship Scholarship and Christian Character Award; Iain won the Heart of Worship Award; Kaithlyn won the Leadership Award; and Josh N and Juvi-ann won the Athletes of the Year Awards. Congratulations to all of the grads for completing high school. It has been a pleasure to walk this part of your journey with you, and we pray that you love and follow Jesus as you pursue life after graduation.

Strong Finish

From field trips to the Steinbach Heritage Museum, The Quarry, and Morning Sound Farm (to name just a few), to Slurpee runs, BBQs, and Teacher Appreciation Week - it was a whirlwind of activity as the elementary school wrapped up another fantastic year!

The highlight for many students was, of course, Vacation Bible School (VBS)! With lively games, uplifting songs, and engaging activities, students were reminded in meaningful ways of God's faithfulness and power in our lives.

A very special thank you goes out to Mrs. Leclair, who has faithfully organized VBS for the past 20 years. As she steps down from this coordinator role, we celebrate her incredible dedication and the lasting impact she's made on generations of students.

Thank you,
Mrs. Leclair!

Thank You!

From the bottom of our hearts, we want to thank our Elementary families for their steadfast prayers, encouragement, and support throughout the 2024–2025 school year. Your care was deeply felt by our entire staff and made a meaningful difference in our school community. As summer begins, we pray God's richest blessings over your families. May this season be filled with rest, joy, and lasting memories together.

Inflatable Fun

For the past many years, the MS has gone to Bird's Hill Park for our school windup. This year we thought we'd change it up some and rent a jousting pit, human foosball and bubble soccer for the students. They had a blast and so did some of the teachers as well who had a chance to joust with some of their students. We followed this up with a hotdog lunch and our final house group game at Kildonan Park where we played Diamond Smugglers. There were a lot of diamonds being smuggled, but in the end, White house narrowly defeated Red house for the win. Overall, this was a great alternative to Bird's Hill and something we will look forward to doing again in the future.

Goodbye to...

We have a few leaving us due to maternity leave this year. Ms. Maggie, who has been one of our EAs for the past 2 years will be having her baby in August. Ms. VB, who has been our Grade 7 teacher for the past 10 years is due in mid-July and Mrs. Regalado (Grade 8) had her baby boy in June. We pray for health and safety for the moms and babies.

We are also saying goodbye to our secretary, Mrs. Meister! She has done an amazing job here at the MS for many years now and will be greatly missed. She is retiring from the MS, and we wish her all the best in her new stage of life!
