### Method of Payment

Faith Academy provides cash, e-transfer, debit and credit options for payment of all fees. Automatic authorization for monthly payments through credit cards can be set up through the main office. Alternatively 12 post-dated cheques are accepted, the first 2 paying the registration and the last 10 paying the tuition. If a student is withdrawn from school, monthly fees will not be required beginning the month following their withdrawal date. There are no other refunds.

Please also note that no student should hesitate to apply because the family cannot afford full tuition. Contact the Director of Student and Financial Services (204-582-3400) for possible alternatives.

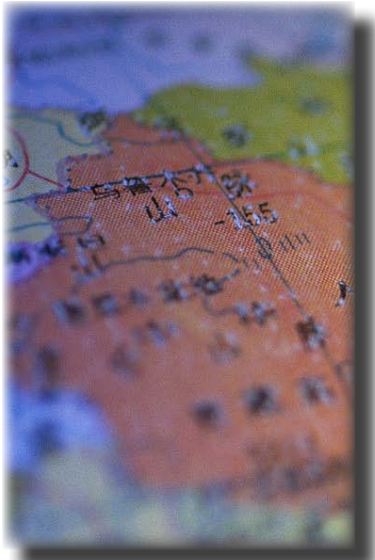

### Registration Procedure

If you wish to have your child enrolled at Faith Academy, please complete the student application as soon as possible and submit it to the High School office. The application form is available at [www.faithacademy.ca](http://www.faithacademy.ca) or can be obtained from any of the school offices. Payment options must be agreed upon, prior to final approval of any application.

Returning students should submit their applications by March 17, 2023. No spaces are held for returning students following that date. Kindergarten students with siblings already registered in the school will receive priority admission.

The school's administration office will set up an interview for any new student and reserves the right to interview returning students as appropriate. A new student may be accepted immediately following the interview provided that space is available and that all other registration details are in order.

### International Students

The foreign student registration fee is set for the coming year at \$600 per student, subject to an additional charge of \$100 for any first year Grade 12 students. The foreign student tuition fee varies according to Government funding levels and is set this year at \$8,200 per student. There are no multiple student discount for foreign students.

Please Note:

There are no tuition refunds after October 31st, 2023.

The registration fee (\$600) must be paid in cash, debit or certified cheque, in order to receive an official letter of acceptance.

### International Students Insurance

In order to attend Faith Academy, international students must provide proof of private Medical Insurance. The school can help arrange this but does not provide this type of insurance itself.

Students unable to provide proof of insurance will not be able to participate in any Physical Education classes or any class/school field trips.
